Coravin-Weine

Innovation im Grand Casino Luzern: Geniessen Sie exklusive Weine und Raritäten im Glas, dank Coravin!

Und so funktioniert es:

Mit einer dünnen Hohnadel durchstechen wir den Korken, um den Wein ohne die Flasche zu öffnen, auszuschenken. Dabei wird das Edelgas Argon in die Flasche gepresst und der Wein strömt im Gegendruck heraus. Eine ungewollte Oxidation wird damit vermieden.

Der entstandene Kanal verschliesst sich unmittelbar wieder nach entfernen der Nadel.

Somit ist es möglich eine Flasche Wein über mehrere Tage hinweg Glas für Glas zu zelebrieren und zu geniessen.
